Waiver Applications

If you need to apply for a partial waiver of charges:

Send an email to pgchgwaiver@ametsoc.org indicating the journal to which you have submitted, the circumstances that necessiate a waiver, and the amount that you will be able to pay. Because partial waivers cover page charges exclusive of the cost of color figures, authors must pay color charges plus a portion of the remaining page charges in order to qualify for a partial waiver. Authors will receive a decision on their waiver application within 5 business days, at which point the paper can enter peer review.

If you need to apply for a full waiver of charges:

Download and complete a Full Waiver Application Form and email it and the departmental letter to pgchgwaiver@ametsoc.org. Full waiver applications go before the AMS Full Waiver Committee, a subset of the AMS Council. The committee meets on a quarterly basis, so authors may have to wait up to three months before a decision can be made. WCAS authors should note that decisions on full waivers for WCAS papers will be made within 5 business days. If you or any of your coauthors have received a full waiver of page charges within the past 12 months for a paper in any AMS journal that was not formally rejected or withdrawn, you are not eligible to apply for another one. The exception is for WCAS authors whose requests will be handled on a case-by-case basis.
